

Preparing for Solar

Engaging the Process

Meeting Community Goals

How do I develop a good solar project in my community?

Join partners from One Region Forward for the first installment of our 2020 Learning Series focused on solar project development. Legal experts, solar developers, local municipal peers, and representatives from governmental agencies will share what you need to know before, during, and after developing solar in your community.

Join us on
March 20, 2020!

AGENDA

- | | |
|--------------------|--|
| 8:00 - 8:30 a.m. | Registration |
| 8:30 - 8:45 a.m. | Welcome and Opening Remarks |

University at Buffalo
Regional Institute
School of Architecture and Planning

Register by **March 13** at:
oneregionforward.org/learning2020

Registration is required for this event. Lunch will be provided for registrants only.

Registration Fee \$20

**TRAINING
CERTIFICATES**

This event qualifies for four hours of land use training credit toward meeting the NYS mandatory training requirement for local planning and zoning officials. Attendance certificates will be available for all participants.

CM Credits for AICP members are pending.

AICP members can earn Certification Maintenance (CM) credits for this activity [or many activities at this event]. When CM credits are available, they are noted at the end of an activity description. More information about AICP's CM program can be found at www.planning.org/cm.

AICP members must be in attendance for the duration of the event in order to receive CM Credit.
